POWDER COAT FINISHES

Brown Jordan Outdoor Kitchens bring function and style together through our exclusive door styles. The stainless steel cabinetry, doors and drawer fronts provide functional strength and durability, while the extensive color palettes, realistic wood finishes bring style, color and design to what was once a drab space.

Our powder coat finishes are painted prior to assembly, limiting the chance of rust over time and providing a nearly maintenance-free finish. Brown Jordan Outdoor Kitchens has 12 signature colors to choose from, as well as realistic wood grain finishes, metallic hues and more.
