WHO WE ARE

Since the late 1990's, Brown Jordan Outdoor Kitchens has led the transformation of outdoor living spaces from simple barbeque islands to fully functional outdoor kitchens. Our innovative stainless-steel cabinets have pioneered outdoor entertainment, culinary creativity and leisure living, by showcasing style, design and functionality.

Today, Brown Jordan Outdoor Kitchens delivers uniquely distinctive outdoor kitchens that are cutting-edge, durable and beautiful. As the desire for outdoor entertainment space spreads from single-family homes to hospitality venues, Brown Jordan Outdoor Kitchen once again leads the way with a state-of-the-art line of outdoor mobile food and beverage service carts. The designs are based on discussions with industry professionals including F&B and FF&E hoteliers, as well as owners and managers representing a wide variety of properties – from wineries to resorts, casinos to clubs, and hotels of every description.

BUILT FOR EVERYDAY USE

Hoteliers have expressed the need for a new generation of mobile food and beverage service carts that are:

- **Durable**
- **Easily maneuverable**
- **Aesthetically pleasing**
- **Cost effective**
- **Customizable**
- **Easily maintained**
- **Engaging**

Based on these needs, our designers and engineers created a complete line of outdoor mobile food and beverage service carts including:

- **Bartenders and Back Bars**
- **Hot/Cold Buffets**
- **Beverage Centers**
- **Grills**
- **Evo Social Cookers**
- **Kegeators**
- **Refrigerated Wine Tasting Stations**

All of our carts are manufactured in our Connecticut factory. Work with our in-house engineers to create a cart that suits your individual needs.

OUTDOOR MOBILE FOOD & BEVERAGE SERVICE CARTS

Brown Jordan Outdoor Kitchens expertly manufactures engineered tubular steel and aluminum outdoor mobile food and beverage service carts for the hospitality industry worldwide. Available in customizable configurations for resorts, branded residential complexes, casinos, hotels, country clubs, restaurants and other hospitality venues, these innovative units are designed for durability, beauty, maneuverability, and functionality.

FEATURES

Powder Coated Finishes -
Provides weather resistance in all climates

9" Wheels - Enhance ease of movement on rough terrain

Maneuverable Size – Designed to navigate interior doorways and elevators

Code Compliant - Appliances are NSF approved

Interchangeable Panels - Easy change, lightweight aluminum panels for custom branding, beauty, and durability

Made to order in the USA –
Engineered and manufactured under one roof

Tubular Steel Construction -
Provides strength and durability

Dual Handles - Allows for easy maneuverability

Top Lock Brakes - Robust brakes provide stability and safety during use

Customizable Configurations –
Standard frames provide for many potential uses

Ready to Use - If sold with the appliance most carts can be used upon delivery (hook up may be required)

Optional Back-Lit Panels –
Enhance event sponsorship opportunities and draw attention concession areas

HOSPITALITY BENEFITS

Brown Jordan Outdoor Kitchens outdoor mobile food and beverage carts offer a range of benefits to all hoteliers regardless of area of responsibility. Utilize the outdoor mobile food and beverage carts to increase revenues, productivity, and enhance the overall guest experience. All units are designed to be maneuverable, functional, and beautiful. Our carts last longer than similar products, include a 5-year limited warranty, and financing is available.

- **Free-up resources and increase productivity by cooking on-site throughout the property**
- **Sell where guests congregate – such as at the pool during peak times**
- **Use satellite/supplemental bars when traditional bars are crowded**
- **Augment catering capabilities with multiple mobile stations**
- **Deliver cold drinks instantly on-site – no more watery beverages**
- **Prepare and serve hot food immediately and directly anywhere on the property**
- **Increase menu offerings with exotic fare served from mobile stations**
- **Open previously unused area of the property for events**
- **Increase sponsorship opportunities with optional, easily interchangeable back-lit signage**
- **Reduce required staff for event set-up**
- **Protect from your cart from the elements with powder coat finishes**
- **Practical for outdoor storage options**

CLUB BENEFITS

The Brown Jordan Outdoor Kitchens collection of outdoor mobile food and beverage carts provides a unique opportunity to enhance your amenities, services and members' experiences, as well as your bottom line. Increase membership growth by providing a more comfortable and hospitable environment while developing services and amenities that cater to the entire family.

Offer your members a variety of luxury amenities:

- **Refresh golfers between holes with ice cold beer served from a mobile kegerator**
- **Freshly grilled burgers and hotdogs poolside for parties or picnics**
- **Mobile Evo stations for exotic and non-traditional cuisine at social events**
- **Ice cold drinks poolside served immediately from mobile carts**
- **Stationary storage cabinets add a touch of luxury in poolside cabanas**
- **Personalized, commemorative messages adorn bar carts at weddings and special events**

How will you benefit?

- **Increase revenues from event sponsorships through logos and signs on the carts**
- **Expand usable space by creating multi-functional events anywhere on the property**
- **Longevity and durability of tubular steel and aluminum cart construction means fewer replacements**
- **Powder coat finishes make the carts virtually maintenance free**
- **Modular construction offers part replacements, rather than whole units**
- **Financing opportunities allow revenues to cover expenses**
